

Community Foundation Tyne & Wear Northumberland

Fund terms and conditions

To receive Newcastle Culture Investment funding from Community Foundation for Tyne & Wear and Northumberland projects will be required to:

Supply a brief monitoring report at the end of the project or after 6 months, in the format provided by the Community Foundation.

Only spend the funding on the purpose detailed in the Crowdfunder campaign at launch unless otherwise agreed in advance by the Community Foundation in writing.

Agree to include the Community Foundation Tyne & Wear and Northumberland and the Newcastle Culture Investment Fund on any and all publicity promoting the project, and to make clear that the project is partly funded by Newcastle Culture Investment Fund.

Fulfil your responsibilities as set out in your governing document and other policy documents (e.g. Child Protection Policy).

Agree to Community Foundation using details of the project in publicity materials and annual reports.

Please be aware:

Community Foundation reserves the right to withdraw funding if they find that you have provided false information to us in respect of the application/project, or if you or any of your employees or volunteers are the subject of an investigation by the Charity Commission, Police or other regulatory body.
