- Projects must help to achieve one or more of the following priorities and outcomes as listed in the Council Plan and / or their Transformation Strategy:
 - [Council Plan](#)
 - [Transformation Strategy](#)

Council Plan overview:

Outstanding council and council services

- Focusing on the increased ability to be self-financing to support those services that matter the most to residents

Projects must also be:

- Registered on Crowdfunder as 'all or nothing' or 'keep what you raise' schemes. Monies pledged by us will only be released if the full fundraising target is reached within the timeframe. We will only pledge once 25% of the projects target has been met.
- Capital projects or revenue costs where the benefits are long lasting. Capital projects are for material things like trees and buildings. Revenue costs can include things like salaries and events.
- Sustainable projects, projects in a transition phase with an evidenced plan in place to become sustainable, or just starting up with a plan in place to become sustainable.
- All grant money awarded must realistically be able to be spent within 12 months of receiving the grant offer letter.

3. What we won't fund:

- Retrospective projects. Projects where work has already started before, we've confirmed we've received back the signed grant offer letter.
- Unsustainable projects. For example, projects that need to continue beyond the life of the funding but are unlikely to be able to.
- Projects working with vulnerable people where there isn't a Safeguarding Policy and / or appropriately trained staff / volunteers.
- Projects for organisations that have more than 12 months running costs in reserves.
- Projects where planning permission is required but hasn't yet been given.
- Funds that are required to help pay off debts.
- Projects that promote religion or politics.
- Projects that directly benefit individuals or for-profit organisations
- Ongoing costs including ongoing maintenance costs, regular activities such as grass cutting, ongoing salaries, costs for the day to day running of an organisation, unless this is during a transition phase with documented evidence of how the project will become sustainable post transition.
- Work that a statutory organisation has to do by law, for example Devon County Council, the Church or the NHS, unless this is over and above what they would ever provide.
- Projects that have a negative effect on one or more of the priorities listed in our council plan.
- We can't fund projects from more than one of our funding streams. So:
 - If your project has already received funding from Crowdfund East Devon scheme you can't receive any more funding through it.
 - If your project has been previously funded by the [Parishes Together Fund](#) you can't apply to this fund.
 - If your project is eligible for our [Community Buildings Grants](#) you can't apply to this fund.
 - If your project is funded by our [Communities Together Fund](#) you won't receive a grant from us on Crowdfund Devon. If your project is funded by us on Crowdfund Devon, you won't receive a grant from the Communities Together Fund.

4. How much you can apply for

- Those eligible can apply for a maximum of 50% of total project costs, with a minimum of 50% of total project costs being funded from elsewhere.
- Those eligible can apply for a minimum of £1,000 (so a minimum total project cost of £2,000) and a maximum of £10,000 (which would be a minimum of a £20,000 project, projects above this could receive funding but East Devon District Council's contribution would be £10,000 maximum).

5. Additional information

- We reserve the right not to make a funding pledge to particular projects.
- Depending on the nature of the project and the information given we may request additional information and assurances; requiring additional terms and conditions to apply and will require in writing acceptance of any additional terms and conditions before agreeing to provide a grant.
