

## Live Match funding Conditions

Projects that are accepted to the Mortgage Advice Bureau Foundation Fund will receive 3:1 live match funding. Pledges will be matched at a rate of £3 to every £1 donated up to 75% of a project's initial target. 3:1 match funding will apply to pledges of up to £250. The maximum value of 3:1 match funding a project can receive is £5000.

Please refer to the [full eligibility criteria](#) and [terms and conditions](#) before applying.

To receive match funding, the following conditions apply:

1. For every donation made towards your project we'll match it up to £250, so if your project receives a donation of £20 we'll add another £60, if your project receives a donation of £600 then you'll receive an additional £250.
2. Only one donation per supporter will be matched (we will not provide match funding where a supporter is deemed to have made multiple donations).
3. You must receive donations from a minimum of 10 unique Supporters before you project closes. To verify whether Supporters are unique we will take account of information including, but not limited to: name, address, email addresses and payment card used.
4. Your project must reach 100% of its target before closing in order to secure the match funding pledges.
5. The amount of total match funds available from Mortgage Advice Bureau will be distributed on a first come first serve basis.

If the project fails to reach the minimum 10 unique supporters and/or 100% of the target, the Mortgage Advice Bureau Foundation match funding pledges will be canceled. The Project owner will be encouraged to review what went wrong and, if appropriate, to attempt to crowdfund again.

The Mortgage Advice Bureau Foundation reserves the right to vary these pledge criteria; projects will be notified if their pledge criteria will vary from the stated terms above.
