

## £50,000 available for Norwich-based projects

To be eligible for this funding from Norwich City Council, projects must:

- benefit the people of Norwich
- be run by resident groups, community organisations, charities or social enterprises
- tackle issues that result from an increased number of people using your local area, either through more residents in new or developed housing, or non-residents using the area due to an increase in shops or services
- have permission of the landlord or owner if they are on land or building you do not own. This includes on roads and in public green spaces and parks
- be accessible to Norwich residents and not seek to exclude anyone. (Projects of a political or religious nature cannot be considered for this fund)

If you do not fulfil these criteria, you are not eligible to apply. If you are unsure if you do, please contact [crowdfunding@norwich.gov.uk](mailto:crowdfunding@norwich.gov.uk) for advice.

Free one-to-one advice, workshops and training are available to support your project development from either council officers or our trained community partners.

Once a project has been accepted as eligible, when the project has raised 25% of their fundraising target, Norwich City Council may pledge to fund **up to** a further 50% of the project target to a maximum of £5,000.

The money pledged will be released only if the full fundraising target has been reached.
