

£18,500 for building stronger communities

Project Locations:

North London (Barnet, Brent, Camden, Enfield, Hackney, Haringey, Harrow, Islington and Westminster) and Hertfordshire (Dacorum, East Herts, Hertsmere, North Herts, Stevenage, Three Rivers, Watford and Welwyn Hatfield).

Projects must relate to one or more of the following themes:

Building Stronger Communities › Projects around health, education, training and employment, crime prevention, financial inclusion, access to leisure activities and cohesion and integration.

Gardening, Food and Environmental › Projects such as food growing initiatives, community gardens, healthy eating, green living and environmental conservation.

Celebrating Heritage › Projects which celebrate the heritage of a particular housing scheme or community. For example, community arts projects, restorations or festivals.

The following will not be eligible for match funding:

Individuals

Trading or profit-making organisations (apart from social enterprises)

General appeals from corporate or charitable entities

Furtherance or propagation of a faith by a religious organisation

Animal welfare

Political parties or campaign groups

To receive Origin Funding projects will be required to:

Supply a brief monitoring report at the end of the project or after 6 months.

Comply with all relevant legislation such as employment, health and safety, confidentiality and data protection, protection of children and vulnerable adults and equal opportunities legislation in the delivery of the project.

Agree to Origin Housing using details of the project in publicity materials and annual reports. Details of individuals will not be used without consent.

Agrees to include the Origin Housing logo on any and all publicity promoting the project, and to make clear that the project is partly funded by Origin.

Agrees to host and take part in a cheque presentation and publicity event, as arranged with Origin Housing.

Agree to notify Origin Housing of any issues which may affect the ability of the organisation to deliver the project.
