The Directors may make whatever arrangements they consider appropriate to enable those attending a meeting of the Board of Directors to exercise their rights to speak or vote at it including by Electronic Means. In determining attendance at a meeting of the Board of Directors, it is immaterial whether any two or more Directors attending are in the same place as each other.

### **Authorising Conflicts of Interest**

If a conflict of interest arises for a Director because of a duty of loyalty owed to another Person (and for the purposes of this rule only refers to such a conflict which does not involve a direct or indirect benefit of any nature to a Director or to a Connected Person), the unconflicted Directors may authorise such a conflict of interest where the following conditions apply:
- (a) The conflicted Director is absent from the part of the meeting at which there is discussion of any arrangement or transaction affecting that other Person;
  - (b) The conflicted Director does not vote on any such matter and is not counted when considering whether a quorum of Directors is present at the meeting; and

104. A Director who is a Member of the Society is permitted to be part of the quorum, speak and vote at any Directors' meeting on any matter to do with interest on shares, provided that they declare an interest on that agenda item and the Conflicts of Interest and Conflicts of Loyalties provisions in these Rules shall not apply.

The decision of such an arbitrator shall be binding. In the event that a dispute cannot, for whatever reason, be concluded by reference to an arbitrator, the matter may be referred to the county court (or in Scotland, to the sheriff). Any Person bringing a dispute must, if so required, deposit with the Society a reasonable sum (not exceeding £100) to be determined by the Board. The arbitrator will decide how the costs of the arbitration will be paid and what should be done with the deposit.

## New Registration - Community Benefit Society form

Society Name:

Society Num:

Use this form to register a community benefit society under the Co-operative and Community Benefit Societies Act 2014 (the Act?).

Use this form for either a new registration of a community benefit society, or for a conversion to a community benefit society from either a company or society registered under the Friendly Societies Act 1974.

To register a society we need:

- this completed form
- one signed copy of the society's rules (or two copies where not submitting electronically)

This form, including any details provided on the form, will be made available to the public through the Mutuals Public Register.

Before you start completing this form you may find it helpful to read Chapter 5 of our guidance on our registration function under the Co-operative and Community Benefit Societies Act 2014: <https://www.fca.org.uk/publication/finalised-guidance/fg15-12.pdf>

### 2.1 What are you applying to do?

- Register a new community benefit society
- Convert a company to a community benefit society
- Convert a friendly society into a community benefit society

### 2.2 Who should we contact about this application?

Name	<input type="text" value="Dane Pollard"/>
Position	<input type="text" value="Co-operative Governance Support Advisor"/>
Postal Address	<input type="text" value="Holyoake House"/> <input type="text" value="Hanover Street"/>

County	<input type="text"/>
Postcode	<input type="text" value="M60 0AS"/>
Phone	<input type="text" value="01612141772"/>
Email	<input type="text" value="advice@uk.coop"/>

### 3.1 What will be the registered name of the society?

(This must be exactly as it appears on the society's proposed rules). Please see page 24 of our guidance for further guidance on society names.

Society name	<input type="text" value="Music Venue Properties Limited"/>
--------------	---

All societies must be carrying out an industry, business or trade. Here we are looking to gain a practical understanding of what that is for your society.

### 3.2 What is the business of the society?

For example, will you be providing social housing, running an amateur sports club, etc.

Owning and leasing music venues

### 3.3 What Standard Industrial Classification code best describes the society's main business?

Where more than one code applies, please select the code that you feel best describes the society's main business activity. Here is a [full list of Standard Industrial Classification Codes](#).

93290

We need to be satisfied that a community benefit society is conducting its business for the benefit of the community. The conduct of a community benefit society's business must be entirely for the benefit of the community.

### 3.4 Please describe the benefits to the community the society aims to deliver?

Here we are looking to see what the intended benefits to the community are. Community can be said to be the community at large. For example, are you relieving poverty or homelessness through the provision of social housing.

The CBS will be saving the existing live music venues from closing or being forced to close due to mounting costs (rent etc). By saving (purchasing the property to lease back to the music related tenants) the CBS is contributing to the promotion and preservation of music and live performance.

By being sensitive owners who can charge lower rents to venues, we will provide music venue operators with the long-term

### 3.5 Please describe how the society's business will deliver these benefits?

The business of the society must be conducted for the benefit of the community. Please describe how the society's business (as described in answer to question 3.2) benefits the community.

The acquisition of properties currently being used as venues for live music, to act as a landlord at below-market rates to the music venue operators who undertake the work of putting on live music events. It will only buy buildings which are being used, or have been used as live music venues, and will only lease these to entities that agree to operate them as live music venues.

It may also consider sale of buildings to these music venue leaseholders, but this would be on condition of the venue

### 3.6 Does the society intend to work with a specific community, and if so, please define it here?

For instance, will the society's activities be confined to a specific location; or to a specific group of people? Please note that in serving the needs of any defined community, the society should not inhibit the benefit to the community at large.

The society will work with the Uk musical community, from venue operators, musicians, support-industry (eg music equipment manufacturers) and music fans

### 3.7 In what ways does the society intend to raise funds to set up and run its business?

For instance, are you intending to apply for grants, seek capital from members, take out a loan.

We will initially utilise equity from a community share issue, but may also move to use debt-finance to fund acquisitions. We see the coming re-adjustment of commercial properties post the pandemic as a golden opportunity.

### 3.8 What will the society do with any surplus or profit?

For instance, will money be reinvested in the business; put into reserves; used for some other purpose?

The profits of the Society shall be applied solely towards the promotion of the Objects and do not belong to the Members.

In order to satisfy ourselves that the society is conducting its business for the benefit of the community, we need to understand the society's relationships with other key stakeholders.

### 3.9 Please state any significant commercial arrangements that the society has, or intends to have, with any other organisation that could create, or be perceived as creating, a conflict of interest.

Please tell us how you will ensure that any such conflicts of interest do not prevent the society from acting for the benefit of the community.

Music Venues Trust was formed in 2015 to represent music venue operators. It was initially formed with a key goal of buying and owning music venues directly to provide a 'music-friendly' landlord for venues. Over time, the MVT has become an 800 strong membership organisation with the music venue operators their members. They provide support, advice and lobbying support to their members. They are creating Music Venue Properties in order to take forward their founding goal of property ownership to safeguard music venue operations but are doing so through a separate organisation as the growth of the MVT

### 3.10 Please state any close links which any of the founding members or directors has, or intends to have, with any society, company or authority.

'Close links' includes any directorships or senior positions held by directors or founding members of the society in other organisations.

Beverley Whitrick is an employee of Music Venue Properties holding the title Strategic Director  
Mark Davyd is an employee of the Music Venue Trust holding the title of Chief Executive  
The MVP is being created under the auspices of the Music Venue Trust, which is providing resources to enable the new society to be created and registered. The Founder members are the MVT itself (which will retain certain rights as a Founder and Custodian), and the CEO and FD of the MVT.

### 3.11 On what date do you want the society's financial year to end

This is the date the society's financial year will end, every year after the society is registered. If you have a preference (e.g. 31 March) please specify that here. If you do not select a date the society will be given the anniversary of the last day of the month it was registered in.

### 3.12 Has the society included the community benefit society statutory asset lock in its rules?

Please note that a society with a statutory asset lock in its rules cannot remove it. The asset lock is only available to community benefit societies other than regulated housing associations or charities.

No

### 3.13 Are the society's objects intended to be charitable?

Whilst we are not responsible for regulating charities, we need to know this because societies whose objects are wholly charitable are subject to a number of requirements in the Act.

Yes

No

### 3.14 If charitable, what is your charitable purpose?

Charity law in England and Wales differs to that in Scotland. If in doubt please refer to the charity legislation relevant for the area you are in. Please note that we will not assess whether your stated purpose meets the legal criteria for a charity.
